Re: Support for the family of Brother Domonic Robinson

Dear Brothers and Sisters:

It is with great sadness that I share with you the tragic death of Local 83 Brother Domonic Robinson, who was killed in a traffic accident while driving home from a family visit on Christmas evening.

Brother Robinson was a young man, a graduate apprentice who leaves behind a wife, three young sons, and another unborn son due in June. His pregnant wife and children were in the car with him, and all have been discharged from the hospital. As you can imagine, this is a horrific tragedy for the family, magnified by the current events of the world and the holiday season.

The International Brotherhood of Boilermakers has set up a contribution collection program to provide extra support for the family, as they will have needs that extend far into their future.

If you and others at your local lodge are able to contribute, you may do so by making a check out to "W.T. Creeden, IST" with "Domonic Robinson's Family" on the memo line. Checks can be mailed to:

International Brotherhood of Boilermakers  
Attn: IST W.T. Creeden  
753 State Ave., Suite 565  
Kansas City, KS 66101

Additionally, a memorial fund has been established for the Robinson children's education. Contributions to the Robinson Children Education Fund may be left in care of the Cheney Witt Chapel at 201 S. Main in Ft. Scott, Kansas, or sent to:

Robinson Children Education Fund  
c/o Cheney Witt Chapel  
P.O. Box 347  
Ft. Scott, KS 66701

I urge us all to keep Brother Robinson's family near in our hearts and our thoughts, and it is my hope that as time passes and his wife and children heal from these awful events, they will remember this holiday season for the generous hearts of the many Brothers and Sisters who reached out in care. I remain,

In solidarity and fraternally yours,

Newton B. Jones  
International President
